FROM DESPAIR TO JOY.

The Painful Story of a Lovely Lady,

and How She Finally Secured Happiness.

Mrs. Morton D. Harlan, residing at No. 55 West 25th Street, New York City, has passed through a most wonderful experience. Mrs. Harlan had a happy home and through her devotion to her home duties over-taxed her strength. She had depressed feelings, entire lack of energy in life, and finally a cough at night and morning which grew worse each day. Upon looking in the glass she saw dark circles under her eyes and found that she was growing thinner and losing all interest in life. Continued for months until finally she became so weak she could not attend to her duties and was confined to her bed the greater part of the time. One day Mrs. Harlan's very dear friend Mrs. Willard called and was amazed to see her so weak and faded. Two bright hectic spots stood upon each cheek, her lips were blue, her face pinched and drawn, and there was a cloud look in her eyes. Mrs. Willard knew this meant consumption and her heart was touched for her friend. At her earnest request, the use of an English Remedy for Consumption was tried. At the start very little effect could be seen, so great an inward had the disease made, but by degrees Mrs. Harlan began to regain her lost appetite, then her strength, then her hope, then her health, and she is today in perfect physical condition, wholly as a result of the use of Dr. Acker's English Remedy for Consumption.

The lesson of this simple story should be plain to all. No man or woman can afford to neglect those first symptoms of consumption, which seem so slight but which become so terrible unless taken in time. This Great Remedy has saved the lives of hundreds of well known men and women who were on the verge of the grave from consumption but who are well and happy to-day. It is sold universally.
